Brainwave AI - Professional Certificate Programs

S.No.	Course	Duration
1	Professional Certificate in AI & Data Science Architecture	11 Months
2	Professional Certificate in Data Analytics & Business Intelligence	6 Months
3	Professional Certificate in AI-Powered Digital Media & Content Creation	5 Months
4	Professional Certificate in Applied Artificial Intelligence	3 Months
5	Professional Certificate in Generative AI & Agentic AI	3 Months

Certificate Programs

S.No.	Course	Duration
6	Certificate in Data Analytics with Excel, Microsoft 365 & Power BI	2 Months
7	Certificate in Python Programming	1 Month
8	Certificate in C & C++ Programming	2 Months
9	Certificate in Machine Learning	2 Months
10	Certificate in Deep Learning	2 Months
11	Certificate in Computer Vision	2 Months
12	Certificate in Prompt Engineering	1 Month
13	Certificate in Agentic AI	2 Months
14	Certificate in Generative Artificial Intelligence	2 Months
15	Certificate in Natural Language Processing (NLP)	1 Month
16	Certificate in SQL & Database Management	1 Month

Additional Certificate Programs

S.No.	Course	Duration
17	Certificate in Artificial Intelligence & Machine Learning	2 Months
18	Certificate in AI Automation & Intelligent Workflows	2 Months
19	Certificate in AI for Students	2 Months
20	Certificate in AI for School Education	2 Months
21	Certificate in AI-Powered Teaching & Learning	1 Month
22	Certificate in AI for Sales & Marketing	2 Months
23	Certificate in AI for Management Professionals	2 Months
24	Certificate in AI for Accounting & Finance	2 Months
25	Certificate in AI for Research & Academic Writing	2 Months

S.No.	Course	Duration
26	Certificate in AI-Powered Office Automation	2 Months
27	Certificate in Artificial Intelligence for Teachers	2 Months
28	Certificate in Artificial Intelligence for Human Resource Professionals	2 Months
29	Certificate in Artificial Intelligence for Office Executives	2 Months
30	Certificate in Artificial Intelligence for Finance Professionals	2 Months
31	Certificate in Artificial Intelligence for Everyone	2 Months

Brainwave AI - Key Course Features

Course Features

- ❖ Practical and industry-oriented training
- ❖ Beginner-friendly, step-by-step learning
- ❖ Hands-on sessions
- ❖ Real-world examples
- ❖ Latest AI tools and technologies
- ❖ Theory with practical implementation
- ❖ Individual practice exercises
- ❖ Regular assignments
- ❖ Doubt-clearing support
- ❖ Career-oriented learning
- ❖ Certificate on successful completion

Projects

- ❖ Mini projects during the course
- ❖ Real-world project development
- ❖ Domain-based projects
- ❖ Guided project implementation
- ❖ Capstone project
- ❖ End-to-end project development
- ❖ Project documentation
- ❖ Source code preparation
- ❖ Dataset-based practical work
- ❖ GitHub project upload
- ❖ Professional GitHub portfolio creation
- ❖ Project presentation and demonstration

Course Material

- ❖ Complete course notes
- ❖ Step-by-step tutorials
- ❖ Practical exercises
- ❖ Sample programs and source code
- ❖ Datasets for practice
- ❖ Project files
- ❖ Presentation material
- ❖ MCQs with answers
- ❖ Short questions and answers
- ❖ Practice assignments
- ❖ Reference material
- ❖ Tool guides
- ❖ Recorded/demo learning resources where provided

Mentoring

- ❖ Guidance by experienced AI professionals
- ❖ Personal mentoring
- ❖ Concept clarification
- ❖ Project guidance
- ❖ Practical problem-solving support
- ❖ Career guidance
- ❖ Resume guidance
- ❖ LinkedIn profile guidance
- ❖ GitHub portfolio guidance
- ❖ Interview preparation
- ❖ Research/project topic guidance
- ❖ Continuous learning support

Additional Benefits

- ❖ Hands-on AI tools
- ❖ Case studies
- ❖ Real-world datasets
- ❖ Portfolio development
- ❖ Internship-oriented exposure
- ❖ Industry-focused skills
- ❖ Project-based learning
- ❖ Practical demonstrations
- ❖ Certificate of completion
- ❖ Placement and career guidance

**Learn → Practice → Build Projects → Get Mentored →
Create Portfolio → Grow Your Career**
